

Tuesday 12th October 2025

Dear Families,

At Foxfield, we firmly believe that the magic of childhood is built on making memories. Primary school is a special time for our children and creating unforgettable moments goes hand in hand with great learning. As part of our school priorities this academic year, we are focussing on elevating memorable experiences within school life, ensuring that your children leave Foxfield with wonderful, lasting memories of their time here.

Following the introduction of our memorable experiences last academic year, we are continuing these this year! Following feedback from the children at the end of the year, we are delighted to share two whole school events planned to bring fun, creativity, and a touch of friendly competition throughout the year!

Autumn Term Highlight: Foxfield Inflatables Day!

Get ready to jump! We will be transforming our school hall into a fun-filled zone packed with bouncy castles, a giant slide, and inflatable obstacles! This is a chance for all children to let off steam, laugh with their friends, and enjoy a day of pure, active fun.

Date: Monday 30th November 2026 & Tuesday 1st December 2026

Summer Term 2027 Highlight: Foxfield's Got Talent!

Shine bright! Our first ever Foxfield Talent show will give each pupil the chance to showcase their unique talents, whether it's singing, dancing, comedy, magic, or gymnastics. This event is a true celebration of confidence, self-expression and the incredible skills within our school community.

In order to make these events a success, we are asking for a contribution of £2.00 per child for the entire year's activities. Please do make this payment via your Arbor account.

We are also extending our personal development offer this year to include the Foxfield life Skills Academy which we will be sharing with the children in the Spring term. This year children across the school will also be taking part in projects in our Foxfield Community Garden and a wider Nature Explorers Programme. We will be launching these with the children as the year progresses!

We are so excited to share these memorable moments with your children and we look forward to the very exciting whole school events this year!

With very best wishes,

M. Minnett T. Sharp
