**Tuesday 13th October 2026**

Dear Families,

We believe that every child has the power to change the world. To help our children take meaningful action on the issues they care about, we are excited to announce the relaunch of SuperKind at Foxfield for this academic year.

This builds on our ongoing commitment to social action, which is deeply embedded in our **global curriculum**. Thanks to our pupils' hard work, we have already achieved the Social Impact Schools Award and received a letter from our local MP in recognition of our impact in the community.

**What is SuperKind?**
SuperKind is an online platform that empowers children to take action on causes they care about, like the environment, animal welfare, or helping others in the community. Children can access safe tools to volunteer, fundraise, and campaign while building a Social Action Profile with their class to celebrate their positive impact. We believe that every child has the power to change the world.

**Next Steps:**

- Children from reception to year 6 will receive a unique QR code with their log-in details this week. Please take a few minutes to complete their account set-up so it can merge with their school account.
- In case you missed last week's virtual session with the co-founders of SuperKind, I have attached the slide deck for you

We are incredibly proud to be a SuperKind school and look forward to working alongside you to inspire the next generation of kind, courageous leaders.

Best wishes,
Ms Yusuf

Deputy Headteacher
