Monday 9th November 2026

Dear Families,

We are pleased to share the details of our fantastic community event 'World Cafe', where we can all come together and celebrate some of the delicious food items that our children will have prepared from different cultures that make the Foxfield community.

This event will take place on **Friday 13th November 2026 from 3.25pm - 4pm**. The children have been working on a two week project linked to their Design and Technology Food curriculum. Each year group will have their own table set up and the children will be there to talk you through their learning journeys and to hear feedback from you, the community, on what you think of their final products.

We hope to see as many of you there as possible.

With very best wishes,

Ms Yusuf
Deputy Headteacher
